I “the breeder” do most of my own health examinations, vaccinations and worming of all puppies born here. I am by "no means a certified veterinarian" but I am very knowledgeable on how to examine a puppy for eye/ear/skin issues, hernias (umbilical & inguinal) and temperament issues. They also see a licensed veterinarian several times . I require the "new owner" to take the puppy to his or her own veterinarian within 3 (three) business days from date of pick up. This contract will become null and void if not followed accordingly.***

Buyers Initials LS

I “the breeder” of this puppy guarantee that the puppy is healthy and free of all communicable diseases to the best of my knowledge. Once the puppy leaves my premises and is no longer in my possession or care, then I the breeder of this puppy will no longer be responsible for the life, health or well being of this puppy. I have personally checked this puppy out thoroughly to the best of my abilities and find no visible faults with this puppy; any faults will be duly noted on page 2 of this contract. I “the breeder” DO NOT pay or reimburse for any vet bills incurred after puppy leaves my possession. NO CASH GIVEN.

This warranty DOES NOT cover hips/joints/elbows/skeletal issues or cartilage issues of any kind, reproductive organs, any puppy diseases, virus or any other type of illness, parasite or protozoa infestations. Every effort has been made to ensure the puppy’s health and well-being prior to leaving to go to it’s new home. Seller is not responsible for any stress the puppy endures during moves to their new homes and once there, environmentally induced disorders such as, but not limited to, kennel cough, pneumonia, hypoglycemia, coccidiosis, giardia, parasites, mites and other autoimmune disorders that are not covered by this guarantee. Buyer also understands that slight genetic defects are not life-threatening and therefore not covered, for example; umbilical or inguinal hernias, undescended testicles and under or over bite. These conditions are treatable and do not warrant any

action from "the breeder". Every preventable effort had been made by seller to guard against these type of issues.

This warranty covers only LIFE THREATENING GENETIC HEALTH ISSUES that may be found by the vet of "your choice" for the duration listed in this contract. The puppy must be taken to the veterinarian of your choosing within 72 hours / 3 (three) business days from date of pick up or this warranty will become NULL and VOID. If such problem (s) are found a veterinarian statement with the findings has to be sent to the breeder for review, after reviewing I will have my veterinarian look the statement over to determine if the problem (s) is indeed life threatening. If the findings show to be a LIFE THREATENING GENETIC HEALTH ISSUE then a REPLACEMENT puppy will be given NO CASH WILL BE GIVEN and the original puppy MUST be returned to the breeder (OR IF OF AGE. PROOF OF SPAY/NEUTER IS REQUIRED); or if the puppy dies within the duration of this warranty, a necropsy must be performed and results sent to the breeder ASAP by email, fax, or priority mail. If the necropsy DOES NOT show that the puppy in question, died from a genetic defect then NO REPLACEMENT PUPPY WILL BE GIVEN AND NO CASH RETURNED. Necropsy's can be performed by your local Agriculture Department for a low cost fee.
